

SatRdays London Sponsorship Pack

About SatRdays

Thank you for considering sponsoring SatRdays London!

Hosted by CUSP London at King's College London, UK, and co-organised by Jumping Rivers this one-day event will feature talks on all things R!

SatRdays events are for everyone with an interest in R, whether you're a seasoned pro or just getting started.

The conference consists of a day of talks from experts across the R community. To get an idea of what to expect, take a look at talks from previous years on our YouTube channel, [@jumping-rivers](#).

The sponsorship package for SatRdays London is £500, and includes:
